Once a team submits their registration packet to the mvysa office and receives the stamped cards and official roster, then the coach, team manager, or club may not remove a player from the roster unless the players parents request to have the player voluntarily quit the team or to transfer to another team.

If the parents request that their son or daughter be dropped off your team and will not play on another team in Ohio South this year, then a coach or team manager can remove them from the team roster by submitting a Voluntary Quit form.

If the parents request that their son or daughter play on another team in Ohio South the coach needs to follow the Transfer Out procedure – see the [How To for Transfers](#)

If a Voluntary quit is processed that player may **NOT** be carded on to any other OSYSA team this year. They can play as a guest player in a tournament by getting a Tournament Guest Player Card – contact Carl Maas (carolsoccer@aol.com).

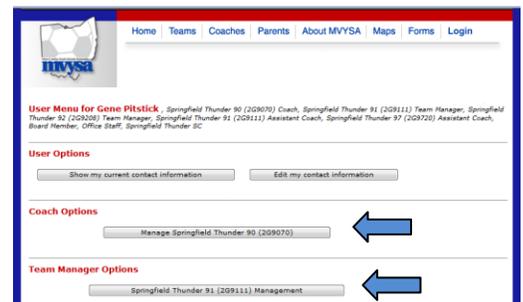

To do a voluntary quit you need to login, manage your team and edit your roster, select the quit button, fill in the reason, submit and print the VQ form, get signed, and bring to mvysa office.
