

2008/09 Transfer In Procedure

When a player is transferring from a league other than MVYSA to your team use the **Transfer In procedure**. The Transfer In procedure is detailed below.

1. Permission

Parents contact current coach and request a copy of an Ohio South Inter Team Player Transfer Request and Approval form signed by the current coach. This form can be found on osysa.com in the forms section. The coach should also send a copy of the form to OSYSA with the players card.

2. Selection

The player and her parent(s) through discussion(s) or tryout(s) chooses a MVYSA member team to transfer to.

3. Transfer

Once the new coach decides to accept the player and the player/parents agree, then the new coach logins, manages the team, edit the roster, and selects Transfer In Player from the top menu bar, completes the form and submits it.

4. Rostered

The new team prints the new USYSA registration form and card, gets them properly signed and presents them along with a signed parent code of conduct, the completed Ohio South Inter Team Player Transfer Request and Approval form and a updated roster to the MVYSA office.
